

Course programme (November 27 to December 06, 2022)

Venue of the camp:	Arogyadham, Chitrakoot
27 November 2022	Buses start for Chitrakoot (Near Hall I tennis courts, 7:00 AM)
27 November 2022	Arrival at Arogyadham, Chitrakoot by 2:00 PM
27 November (AN) - 6 December 2022	Conduct of the Survey camp
06 December 2022	Departure from Chitrakoot and Arrival at IIT Kanpur by 5:00 PM.

All students participating in the camp, should carry the following items:

Identity card, winter clothing, blanket, strong canvas/sports shoes, woollen cap, pens and calculator/laptop, surveying/geology books, multi-socket extension board, CE331A class lecture notes, umbrella, water bottle, torch, appropriate medicines (if required and prescribed by your doctor).

The journey to Chitrakoot is about 5-6 hours long. Hence, please carry suitable eatables for the journey.

- All participating UG students must pre-register for CE332A in the forthcoming registration and must have registered for CE331A in the current semester.
- All PG students must be pre-registered in CE673.

Additional information:

1. Camp is going to be held at Arogyadham, Chitrakoot.
2. The institute will take care of travel, boarding and lodging expenses for the camp. In addition to this, you may carry some pocket money as per your requirements. Moreover, it is discouraged to carry too much cash to the camp.
3. It will be cold in Chitrakoot in the month of December. You will be provided with some bedding from Ashram (mattresses and blankets). However, it is advisable that you carry one good blanket from here which will be useful during your stay in the camp. Also, carry good winter clothing, gloves, muffler, jackets, bed sheet(s) and a pillow with you.
4. Let us know in advance if some of you have any health related or other issues. Those with special medical conditions should talk to their doctor before joining the camp. Carry medicines for special health problems and keep us and your friends/ group informed about the same.
6. The overall conduct of the camp (timetable, assignment, tests, etc.) will be known in the camp only. You will be working in groups of 5 students each (for UG and PG) with one member acting as the group leader for each group. However, you will prepare your "independent report" by hand on the sheets/notebook provided by us. You will be required to use a laptop for computation and plotting as you have been doing in your CE-331A laboratory. Please carry your laptops for this purpose. It is desirable to carry at least one laptop per group. Please get in touch with Mr. R. K. Maurya/Mr. Shitla Tripathi/Mr. Hari Babu/Mr. Vipul Sharma in GI lab for installing appropriate software required for the camp. **The list of group members (only one mail per group with name of group leader and his phone no.) should be mailed to Mr. R. K. Maurya or Mr. Shitla Tripathi by November 15, 2022 or leader or any member of group should visit GI lab and give this name.**
7. For further query please contact in GI Lab: Mr. RK Maurya (maurya@iitk.ac.in); Mr. Shitla Tripathi (shitla@iitk.ac.in): Ph: 7722.
